TOUR #1 ..(Morning) – Minneapolis/St Paul “A Tale of Twin Cities Tour”

We will depart the Embassy Suites Hotel @ 8:30a on a luxury motorcoach with a professional tour guide. Sit back, relax and enjoy an extensive and informative “Tale of Twin Cities”. Minneapolis and St. Paul are situated along the mighty Mississippi River, with downtowns only 7 miles apart. You will see some of the top tourist attractions of both cities and learn how the 2 cities began as tiny immigrant towns and grew up together, eventually forming a cohesive metropolis that’s part bustling cities, part sleepy suburbs, natural beauty and all uniquely Minnesota. Along the way, we will make a stop at the Minnehaha Falls, Minnesota’s oldest tourist attraction. Immortalized in “Song of Hiawatha” by Henry Wadsworth Longfellow, this dramatic urban waterfall plunges 53 feet into the Mississippi River and still thrills thousands of visitors every year. A few of the many sites you will see on the tour will be Stone Arch Bridge, Summit Avenue (one of the longest stretches of virtually uninterrupted Victorian buildings in the US), towering Cathedral of Saint Paul, Capitol Building, Basilica of St Mary, see where singer, “Prince” got his start, and the Mary Tyler Moore statue. You will visit Minnesota’s Global Food Market where you can enjoy “lunch on your own” at one of many mouth-watering dishes from a wide variety of restaurants. Also, give yourself a little extra time to do some shopping and explore their unique shops. Arrive back at the Embassy Suites aprx 2:30p
